

## **IRISHMEN and IRISHWOMEN!**

*The Nation is facing its Gravest Crisis. Our People are being slaughtered in the North.*

### **WHAT YOU CAN DO TO HELP :**

Unorganised help is useless. Sign up below with your name, address, age, and what you can do.

We require not only accommodation, transport, physical support, but also influence in organisations in the 26 Counties capable of pressing the Dublin Government to act with all the resources at its disposal.

We are setting up local solidarity committees in every area. Each committee must establish an assembly point. Trade Union halls are usually available for this; local union branches should be represented on the solidarity committees.

We must organise mass pressure for the Dublin Government to take a hard line with Westminster, seeking international support through the U.N. It is clear that civil rights are incompatible with Unionism. Dublin must demand the withdrawal of British troops, disarming and disbanding of the "B" Specials and an All-Ireland Election under U.N. supervision.

The 'solution' to the Irish question imposed by the Government of Ireland Act lies in ruins. Some new arrangement must be set up.

If the Irish people do not act in unity, this will be a politicians' arrangement, maintaining partition and perhaps bringing Dublin and Stormont under a Council of Ireland with Westminster involved. In other words, back to "mother England."

### **OBJECTS OF THE SOLIDARITY COMMITTEES :**

1. Collection of money and supplies.
2. Holding of meetings, distribution of papers and leaflets.
3. Maintaining liason with the National Solidarity Committee.
4. Establishing links with local peoples' organisations in order to get widest possible support.
